## **INFORMATION**

In presenting my 1939 Catalog I take this opportunity to thank my many customers for their liberal support in the past and hope I may serve them again as well as many new customers. I personally put up each order and carefully inspect each root sent out. I guarantee all stock to be true to name and in good condition. My Dahlias are grown without forcing, with sufficient potash in the soil to insure strong roots.

Consider ordering as early as possible as the stock of some varieties is limited. I start shipping March 5th if weather permits, but will ship any specified time after that date. Directions for growing and keeping the roots over winter sent with each order.

All orders over \$1.00 sent postpaid; for \$1.00 or less add 15 cents for postage.

Terms: Cash with order or one-third of the amount with order and balance before shipping date. Remit by check, post office money order or registered letter.

I do not substitute unless requested to do so, but would suggest naming two or three as second choice when ordering late in the season.

Reference: York National Bank, Saco, Maine.

The Dahlia Classifications in this Catalog are the new form adopted by the American Dahlia Society. The abbreviations are as follows: "C" Cactus, Incurved, Recurved, or Straight; "S-C" Semi-Cactus; "FD" Formal Decorative; "ID" Informal Decorative.

| Satan, S. C.—Flaming red with a slight touch of gold at the center. The exquisite coloring is at once fascinating, but what formation and stems! The hornlike petals, so perfectly rolled and incurved, give rare form and character to a flower of unusual brilliancy. The rugged, almost leafless, stems give the impression of being nearly as thick at the top as at the base. No Dahlia in existence, we believe, is more sensational and spectacular than this giant Cactus | .45 |

In the garden it is impressive with its staghorn petal formation, the large, dark green, insect-resistant foliage, the cane-stiff stems, the thrifty growth, and greatest of all, its color. It may be described as a royal purple or petunia violet | .40 |
